

ARE YOU RAISING A CHILD WITH DOWN SYNDROME?

You are invited to participate in a brief survey for my dissertation research examining Family Quality of Life among parents of children with Down syndrome.

You may participate if you are:

- ✓ Parent or primary caregiver of a child with Down syndrome
- ✓ Your child is currently enrolled in elementary school (ages 5-11)
- ✓ Living in the United States
- ✓ Actively involved in daily caregiving.

Participation involves completing a confidential and quick (10-20 minute) online survey.
