

# Study to Learn about the Perceptions of Research

Are **YOU** a:

- **Caregiver for person with Down syndrome?**
  - **Speak English or Spanish**
- **Self-Advocate with Down syndrome**
  - **18+**
  - **Speak English**

Please consider helping us by taking a short online survey or completing an interview:

- **Help us understand how to design research that YOU can participate in**
- **Help identify gaps in research and identify ways that you can access research information easier**
